Dear Patients,

I am reaching out to you to let you know about a change coming to my practice this fall. Many of you will have met Dr. Elle Surgent who has been seeing patients in the practice on Wednesdays over the past two years. This has worked out very well, and we have received lots of positive feedback! The plan going forward, over the next few months, will be that Dr. Surgent will become the lead doctor for the practice, and I will reduce my time at the office to 2 days a week. I am excited about the opportunity to work part-time and very pleased to be able to welcome Dr. Surgent to our practice in a lead physician capacity! We will function as a team, and encourage you to continue making appointments with either Dr Surgent or myself. Please come in to reception and sign a roster form for Dr. Surgent beginning in December.

Yours sincerely,

Cindy Donaldson
