

Dear Patient,

We are writing to share some exciting news regarding the relocation of the Carlisle Medical Centre to our new, more spacious facility!

Our new office, located at **105 Clappison Avenue, Waterdown**, has been carefully chosen to provide an improved environment for both our patients and our dedicated team. We are confident that this move will enable us to better serve the healthcare needs of our patients, while continuing to deliver the compassionate, patient-centered care that defines our practice.

The relocation process is scheduled to occur at the end of May, and we are diligently working to ensure a seamless transition. During this transition, there may be some scheduling changes as we set up our new space. We are committed to minimizing any disruptions to your care and we appreciate your understanding and patience during this period.

Our first official day at the new location will be **Monday, June 3**. As of that day, all in-person appointments will take place at our new facility (105 Clappison Avenue in Waterdown). Our phone and fax numbers will remain the same.

We want to take this opportunity to express our heartfelt gratitude for your trust and loyalty over the years. Your support has been the cornerstone of our practice, and we are deeply grateful for the privilege of serving you and your family's healthcare needs. As we embark on this new chapter, we look forward to continuing to provide you with the highest standard of care.

We look forward to welcoming you to our new office.

Warm regards,

The Doctors and Staff of the Carlisle Medical Centre
